

Lotería de Navidad

A picture-and-word lotería in Spanish for the whole family

What's inside

- 6 tablas (game boards) on pages 2 to 4. Every board is different.
- 12 cartas (calling cards) on page 5.

How to play

- 1 Give each player a board and some dried beans, buttons or little candies. Cut out the calling cards and shuffle them.
- 2 The caller draws a card and reads the word out loud: "¡la estrella!" Show the picture too, if your players are just starting.
- 3 If that picture is on your board, cover it.
- 4 Four in a row across wins! Shout "¡Lotería!" and read your four words back to everyone.
- 5 Play again with a new caller. Letting a child be the caller is the best reading practice of all.

Make it harder

- Read the word only, without showing the picture.
- Play "tabla llena": keep going until someone covers the whole board.

Did you know?

Every December 22, Spain holds a huge Christmas lottery called El Gordo, and schoolchildren sing the winning numbers on TV. Make your own lotería night!

¡Lotería! Read it, play it, learn it.
