

Calendario de Adviento

24 days, 24 Spanish words: a Christmas countdown from December 1 to 24

What's inside

- A wall poster with 24 doors (page 2). Color one door each day.
- 24 daily pages (pages 3 to 26): a word to trace and color, a small act of kindness, and a mini label to cut out.
- A certificate for Christmas Eve (page 27).

How to use

- 1 Print the poster and hang it where everyone can see it. Print the 24 daily pages (or one a day).
- 2 Each morning, find the day's number on the poster, say it in Spanish (uno, dos, tres...) and color that door.
- 3 Read the day's word together one syllable at a time (re-ga-los), trace it and color the picture.
- 4 Do the act of kindness and say the Spanish phrase. Then cut out the mini label and tape it on the real thing at home.

Make it magic

- Hide each day's page in a numbered envelope and open one every morning.
- By Christmas, your house is full of Spanish labels: la taza, las luces, el árbol...
- Staple the finished pages together: a Christmas coloring book made by your child.
- Missed a day? No problem. Do two tomorrow, twice the kindness!
