Camino de sílabas

A fall syllable board game in Spanish for 2 to 4 players

Best after ¡A LEER! Libro 2 • Ages 4–8

What's inside

- A game board with 30 squares on page 2: 24 syllables and 6 picture words, from SALIDA (start) to META (finish).
- You also need one die and a playing piece for each player: a bean, a button or an acorn.

How to play

- 1 Everyone starts at SALIDA. Take turns rolling the die and moving that many squares.
- 2 Read the syllable you land on out loud: P and A make PA. Consonants are black and vowels are red.
- 3 Land on a picture? Read the whole word, la bo-ta, and roll again!
- 4 The first player to reach META wins. ¡Muy bien!

Make it easier or harder

- Easier: play as a team with one game piece, and take turns reading.
- Harder: read every square you pass, not just the one you land on.

For grown-ups

Fall is el otoño in Spanish. This game practices syllables from ¡A LEER! Libros 1 and 2, including four where the vowel comes first (EL, AS, OS, UN). No Spanish needed: every syllable has free audio at espanolforkids.org.

The 6 picture words

la bota
boot

el pato
duck

la nube
cloud

el oso
bear

la seta
mushroom

el pino
pine tree

Read it, play it, learn it!

Every word uses sounds from the ¡A LEER! Spanish phonics series.
