

¿Cuál es? Fall Words

Picture-and-word reading cards in Spanish with look-alike words

Best after ¡A LEER! Libro 2 • Ages 4–8

What's inside

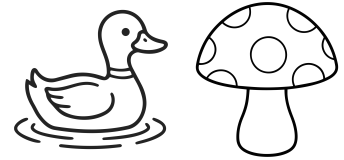

- 8 reading cards on page 2. Each picture has three look-alike words: pato, gato, palo.
- Answer key on page 3, with the meaning of every look-alike word.

How to use

- 1 Print page 2. Use it as a worksheet, or cut out the 8 cards along the dotted lines.
- 2 Look at the picture. Read all three words out loud, one syllable at a time.
- 3 Circle the word that matches the picture, or clip it with a clothespin.
- 4 Check together with the answer key on page 3.

Make it easier or harder

- Easier: cover one wrong word with your finger, so there are only two to choose from.
- Harder: cover the picture, read all three words, then uncover it to check.

For grown-ups

Fall is el otoño in Spanish. On each card the two wrong words change just one sound (pato, gato, palo), so your child has to read every letter instead of guessing from the first one. No Spanish needed: the answers are on page 3, and every syllable has free audio at espanolforkids.org.

The 8 picture words
