

# Plumas de gracias

A Thanksgiving gratitude turkey in Spanish: read a feather, add it to the turkey

Best after ¡A LEER! Libro 4 • Ages 4–8

## What's inside

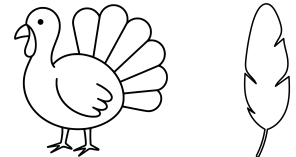

- Page 2: a turkey with an empty tail.
- Pages 3 and 4: 12 feathers. Ten have a thank-you sentence to read and two are blank for your child's own words.
- Page 5: 6 more blank feathers for the whole family to fill in.

## How to play

- 1 Print the pages, on card stock if you can. Color the feathers and cut them out.
- 2 Read a feather out loud: Gracias por la familia. Then glue it on the turkey's tail.
- 3 Keep going until the tail is full. On the blank feathers, write who or what you are thankful for.
- 4 Put your turkey on the Thanksgiving table and read it to the family.

### Make it easier or harder

- Easier: read Gracias por together, and let your child read the last word.
- Harder: fill in the blank feathers, or read all ten in a row.

## For grown-ups

Thanksgiving is el Día de Acción de Gracias in Spanish, a day to share a big meal and say thank you. Every feather starts with Gracias, so after the first one your child reads the same words again and only the ending changes. The sentences use sounds from all four ¡A LEER! books, like the GR in gracias, the accent in mamá and the ue in abuela. No Spanish needed: every sound has free audio at [espanolforkids.org](http://espanolforkids.org).
